

AMS Terms Definitions

Last Updated: 23 August 2023

In these AMS Terms, capitalised terms have the meanings given below.

“ABC Laws” means those Relevant Laws intended to prohibit bribery or some other form of corruption.

“Acceptance Marks” means the Alipay+ Brand Mark, the Payment System Operators’ Trade Marks and the Payment Method Providers’ Trade Marks identified by Alipay to indicate the acceptance of Payment Methods.

“Affiliate” means, with respect to a person, any other person that directly or indirectly Controls, is Controlled by, or is under common Control with, that person.

“Agreement” means the Master Services Agreement in relation to Alipay Merchant Services provided to the Merchant which, for the avoidance of doubt, includes these AMS Terms.

“Alipay” means Alipay Singapore E-Commerce Private Limited.

“Alipay China Wallet” means the payment method provided by Alipay.com Co. Ltd, a licensed payment service provider in China.

“Alipay+ Brand Guidelines” means the guidelines and instructions applicable to use of the Alipay+ Brand Mark as specified by Alipay and its Affiliates and as updated from time to time.

“Alipay+ Brand Mark” means a mark, including word, name, logo, design, symbol and trademark, that represents Alipay+ and its products and services, including AMS, Alipay+ or its Affiliate is the exclusive owner of the Alipay+ Brand Mark.

“Alipay+ Code-Scanning Payment Standard” means a set of barcode (1-dimension) and QR code (2-dimension) scanning payment standard developed by Alipay+ to facilitate interoperability among its partners. This set of standards cover user-presented mode and merchant-presented mode use cases, and is composed of code format, routing rules, transaction processing rules, user experience design guidelines, and security guidelines, etc.

“Alipay+ Core” means the systems and services through which Alipay+ and its Affiliates deliver electronic payment processing, clearing and settlement services to the Merchant.

“Alipay+ Core Operator” means Alipay Connect Pte. Ltd., including its successors and assigns.

“Alipay+ Payment Method” means a Payment Method provided by a Payment Method Provider in its role as a mobile payment partner participating in Alipay+ Core, where Payments are processed under the participation agreement between Alipay+ and such Payment Method Provider, including but not limited to BPI, GCash, Kakaopay, Boost, Touch’n Go, Rabbit LINE Pay, TrueMoney, AlipayHK, Akulaku PayLater ID and Dana.

“Alipay’s Systems” means the system, process, tools and software used by Alipay to interface with the Merchant’s Systems and provide AMS.

“Alipay’s Website” means the official website of Alipay (<https://global.alipay.com>).

“AML” means anti-money laundering, counter-terrorism and Sanctions in the context of AML Laws.

“AML/Fraud Risk” means the risk associated with fraud, money laundering, Sanctions, terrorism or terrorist financing, international taxation, information or currency control or failure of compliance with AML Laws and other associated Relevant Laws.

“AML Laws” means those Relevant Laws intended to combat money laundering and/or terrorist financing, sanctions or related crimes.

“AMS”, “AMS Services” or “Alipay Merchant Services” means the electronic payment processing and related services provided by Alipay to the Merchant pursuant to the Agreement.

“AMS Terms” has the meaning given to it in Clause 1(a) of the AMS Terms and Conditions.

AMS Terms Definitions

“AMS Terms Definitions” means these AMS Terms Definitions available at the AMS Webpage, as it may be amended from time to time.

“AMS Webpage” means the Alipay Acquiring Solutions webpage with the URL https://global.alipay.com/docs/ac/Platform/ac_solutions.

“Brand Guidelines” means the guidelines and instructions applicable to use of the Alipay+ Brand Mark as specified by Alipay and its Affiliates and to the use of the Payment System Operators’ Trade Marks and the Payment Method Providers’ Trade Marks as specified by the Payment System Operator or the Payment Method Provider (as applicable) as updated from time to time.

“Brazil Cards” means cards issued in Brazil by or under license from card networks, including but not limited to: Visa, Mastercard, American Express, ELO and Hipercard.

“Cardholder Data” has the meaning given to it in the PCI DSS.

“Chargeback” means the exercise of a right by a Payment Method Provider to wholly or partly reverse an original Payment pursuant to the relevant Scheme Requirements.

“Collateral” has the meaning given to it in Clause 11(a) of the AMS Terms.

“Collateral Period” has the meaning given to it in Clause 11 of the AMS Terms.

“Collection Code” means the code presented by a Merchant for a User’s digital wallet to recognise in order to initiate a Payment. Collection Code may be a store code or an order code which codes are generated in accordance with applicable Scheme Requirements.

“Common Business Day” means, in respect of Alipay and the Merchant, a day on which all banks are open for general banking business in China (including Hong Kong), Singapore, New York, and the territory of Alipay’s settlement bank, excluding a Saturday, Sunday or public holiday in any such territories, and on which settlement is available for the Settlement Currency, or a day specified as a Common Business Day in a calendar provided by Alipay by posting on the Webpage or by other form of written notification to the Merchant from time to time setting out, amongst other things, business day conventions for different regions and settlement currencies.

“Confidential Information” means all non-public, proprietary or other confidential information, whether in oral, written or other form, including: the content and performance of the Agreement, business plans, capitalisation tables, budgets, financial statements, costs, prices, and marketing plans, contracts and licences, employee, customer, supplier, shareholder, partner or investor lists, technology, know-how, business processes, trade secrets and business models, notes, sketches, flow charts, formulas, blueprints, and elements thereof, source code, object code, graphical design, user interfaces and other intellectual property, including that of any customer, supplier or other third party (including, in the case of Alipay, the interface technologies, security protocol and certificate to any other website or enterprise provided by Alipay).

Regardless of whether the receiving Party obtains such information solely or partially from the disclosing Party, Confidential Information shall not include information that: (i) is or becomes (through no improper action or inaction by the receiving Party) generally known to the public; (ii) was in the receiving Party’s possession or known by it prior to receipt from the disclosing Party; (iii) was lawfully disclosed to the receiving Party by a third party and received in good faith and without any duty of confidentiality by the receiving Party or the third party; or (iv) was independently developed without use of any Confidential Information of the disclosing Party by employees of the receiving Party who have had no access to such Confidential Information.

“Control” (including its correlative meanings, **“Controlled by”** and **“under common Control with”**) means, with respect to a person, the possession, direct or indirect, of the power either:

- (a) to vote based upon a holding of 50% or more of the securities, shares, stock, equity interest or comparable ownership interest having voting power;
- (b) to elect 50% or more of directors of the board (or comparable positions in the case of persons without directors); or
- (c) to direct or cause the direction of the management and policies of such person whether by contract or otherwise.

AMS Terms Definitions

For the purposes of the Agreement, neither Alipay nor the Merchant is Controlled by, or under common Control with, the other.

“Cross-Border Transaction” means a Transaction where the applicable Business Territory of the Payment Method Provider is different from the jurisdiction where the Merchant is located.

“Cybersecurity Incident” means any act or attempt, successful or unsuccessful, to gain unauthorised access to, disrupt or misuse the Merchant’s System or information stored on the Merchant’s System and any attempted or actual breach of security leading to the accidental or unlawful destruction, loss, alteration, unauthorised disclosure of, or access to, Personal Data transmitted, stored or otherwise processed.

“Cybersecurity Incident Report” means a report in a form determined by Alipay to be submitted by the Merchant to Alipay for every Cybersecurity Incident that occurs.

“Dispute” means a Transaction-related dispute (including Retrieval Request and Escalations for Alipay+ Payment Method and Chargeback for other Payment Methods) which may be initiated by a Payment Method Provider on behalf of a User or by the Merchant.

“Disruption Event” means an event which impacts on Alipay’s ability to meet its obligations to the Merchant to make settlement on a Settlement Day, including:

- (a) any Force Majeure Event;
- (b) any event affecting the convertibility of the Settlement Currency, including events which, in the reasonable opinion of Alipay, makes it impractical or undesirable to convert the Settlement Currency into other settlement currencies;
- (c) any event affecting the transferability of the Settlement Currency, including any event which, in the reasonable opinion of Alipay makes it impractical or undesirable to deliver the Settlement Currency to the Merchant Location, or for the Settlement Currency to be delivered to an account outside of the Merchant Location or to other accounts within the Merchant Location;
- (d) the Settlement Currency becomes illiquid, including because it becomes, in the reasonable opinion of Alipay, impracticable to obtain a firm quote for converting a currency to the Settlement Currency or vice versa in respect of the Net Settlement Amount on any Settlement Day;
- (e) the Settlement Currency ceases to exist or splits into different currencies; or
- (f) any change in Relevant Laws which adversely impacts Alipay’s ability to clear and settle Payments, Refunds or Chargebacks in accordance with the Agreement, or would otherwise result in a legal or regulatory risk to Alipay in connection with AMS, including any change which would result in a need for Alipay to obtain additional authorisations, licences, endorsements, registrations or other such matters from a Government Agency or self-regulatory body.

“Domestic Transaction” means a Transaction where the applicable Business Territory of the Payment Method Provider is the same jurisdiction as where the Merchant is located.

“Economic and Trade Sanctions Laws” means those Relevant Laws imposing economic or financial sanctions, trade embargoes, export controls and anti-boycott laws and regulations.

“Effective Date” means the date on which the Agreement has been signed by all of the Parties.

“Escalation” means a process initiated by a Payment Method Provider to the Merchant for a Refund in order to resolve a Dispute.

“Force Majeure Event” means an act of nature, force or cause beyond an entity's, its Affiliates' or Representatives' reasonable control, including:

- (g) a fire, flood, elements of nature or other acts of God;
 - (h) an outbreak or escalation of hostilities, war, riots or civil disorder, or an act of terrorism;
 - (i) internet, computer, telecommunications or electrical power failures or any other equipment failures;
-

AMS Terms Definitions

- (j) a labour dispute (whether or not the employees' demands are reasonable or within the entity's power to satisfy);
- (k) acts or omissions of a Government Agency prohibiting or impeding the affected entity (or its Affiliates or Representatives) from performing its obligations under the Agreement, including orders of domestic or foreign courts or tribunals, governmental restrictions, Sanctions, restrictions on foreign exchange controls, etc.;
- (l) the non-performance by a third party for any similar cause beyond the reasonable control of the entity; or
- (m) the occurrence of any epidemic, pandemic or plague.

“Government Agency” means any government, semi-governmental, statutory, administrative, revenue, fiscal or judicial body, department, commission, authority, agency, tribunal, stock exchange or other person or body having jurisdiction in connection with the activities contemplated by the Agreement or having regulatory or supervisory authority over any part of the business or affairs of Alipay or the Merchant, as applicable.

“Harmful Code” means any computer virus or other code which is not intended to serve a legitimate purpose and which is harmful, destructive or disabling or which assists in or enables the theft, alteration, denial of service, unauthorised access to or disclosure, destruction or corruption of information, data or software.

“Incident” means an error, bug, incompatibility or malfunction (including in relation to the connectivity or availability of the Merchant's Systems which interface with Alipay's Systems) which:

- (n) causes AMS to operate other than as designed or in accordance with the Agreement;
- (o) delays or interferes with the execution of, or renders the Merchant or Alipay unable to process Payments through AMS; or
- (p) otherwise causes any unavailability or interruption to, or a reduction in the quality of, AMS or affects any functionality or the availability of AMS or access to AMS.

“In-Store Payment” means a Payment made in person at a Merchant Outlet.

“Investigation” means, in relation to suspicious activity or transactions or potential non-compliance involving the Merchant, the Merchant collecting all relevant Transaction Data and documents (including such Transaction Data and documents requested by Alipay), confirming whether there is any suspicious activity or transactions and timely reporting the findings to Alipay.

“IP Claim” means a Claim against Alipay as described in Clause 20(a)(v) of the AMS Terms or a claim against the Merchant as described in Clause 20(b)(iii) of the AMS Terms, as applicable.

“IP Rights” means all industrial and intellectual property rights of any kind, including copyright, rights in computer software or source code, trade mark, service mark, design, patent, trade secret, semi-conductor or circuit layout rights, trade, business, domain or company names, moral rights, rights in Confidential Information, know-how or other proprietary rights (whether or not any of these are registered and including any application for registration), and all rights or forms of protection of a similar nature or having an equivalent or similar effect to any of these which may subsist anywhere in the world.

“Korean Cards” means credit or debit cards issued in Korea by or under license from card networks, including but not limited to: Kookmin, BC, NH, Lotte, Hana, Samsung, Shinhan, Hyundai.

“KYC Check” means 'know your customer' due diligence and verification as well as Sanctions screening conducted as part of the on-boarding processes and on an ongoing basis in accordance with AML and Sanctions Laws including in relation to a User or the Merchant (as applicable).

“Local Business Day” means, in respect of the Merchant, unless otherwise set out in the Agreement, a day on which all banks are open for general banking business in the Merchant Location, excluding a Saturday, Sunday or public holiday in the Merchant Location.

“Loss” means all claims, damages, losses, liabilities, cost and expenses of any kind or costs of any kind and however arising, including legal costs (on a full indemnity basis), penalties, fines and interest, including those

AMS Terms Definitions

which are prospective or contingent and those the amount of which for the time being has not been ascertained or is not ascertainable.

“**MCC**” means a four-digit merchant category code assigned to a Merchant that classifies the type of goods or services such Merchant offers in accordance with the standards under the applicable Scheme Requirements.

“**Merchant**” means the Merchant which entered into the Agreement with Alipay.

“**Merchant Display Name**” means a name displayed by a Merchant at its stores, Online Store or other locations where Transactions take place, for Users to recognize the Merchant (which is not the Merchant’s registered legal name).

“**Merchant Liabilities**” means any liability of the Merchant, including fees, Chargebacks, Refunds, reversed Transactions, assessments, and/or any indemnifiable Losses arising out of or in connection with AMS Services.

“**Merchant Location**” means the jurisdictions identified by the Merchant in the due diligence questionnaires to be countries where it operates in compliance with Relevant Laws which have also been confirmed by Alipay during the onboarding process.

“**Merchant Outlet**” means a fixed place of business or physical location operated by the Merchant where the goods or services are made available for sale to Users and where Payment Methods are accepted.

“**Merchant’s Alipay ID**” has the meaning given to it in the Service Application Form.

“**Merchant’s Systems**” means the system, process, tools and software used by the Merchant to interface the Alipay’s Systems or use AMS.

“**Net Settlement Amount**” has the meaning given to it in the Agreement.

“**Online Merchant**” means a merchant that makes its goods or services available for sale through an Online Store. Where a merchant operates both a Merchant Outlet and Online Store, the Merchant shall only be treated as an Online Merchant in respect of Transactions that take place at its Online Store

“**Online Payment**” means a Payment initiated through the Merchant’s Online Store.

“**Online Store**” means a website or application (or equivalent) operated by the Merchant or (as applicable) an online platform or marketplace operated by the Merchant, by means of which goods or services are made available for sale over the internet or other electronic network.

“**Party**” has the meaning given to it in the preamble of the Agreement.

“**Payment**” means the transfer of a Transaction Value from a User to the Merchant which is routed, processed and settled through AMS.

“**Payment Card Information**” means Cardholder Data or sensitive authentication data, as specified in the PCI DSS.

“**Payment Code**” means the code presented by a User in an application provided by a Payment Method Provider for Merchants to recognise and initiate a Payment request, which codes are generated in accordance with applicable Scheme Requirements.

“**Payment Confirmation**” means a confirmation message from Alipay to the Merchant that a Payment has been confirmed successfully.

“**Payment Method**” means a product issued by a Payment Method Provider to a User (such as an electronic wallet) which allows that User to make a payment to a merchant which the merchant receives through the use of, or in reliance on, AMS.

“**Payment Method Provider**” means a person in its capacity as a payment method provider where it issues a Payment Method to a User, enters into a user agreement with a User or processes a Payment for a User.

“**Payment System**” means any multi-participant system (including Alipay+ Core, Visa, Mastercard, American Express and other systems or schemes) for the routing, clearing or settlement of financial transactions, including local payment systems such as national card schemes, fast payment systems, as well as international card schemes. AMS shall not of themselves constitute a Payment System.

AMS Terms Definitions

“Payment System Operator” means the party operating the Payment System.

“PCI DSS” has the meaning given to it in Clause 12(a)(ii) of the AMS Terms.

“Personal Data” means any information relating to an identified or identifiable natural person (an identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural, or social identity of that natural person) and any other information defined in Relevant Laws as ‘personal data’ or ‘personal information’ or similar terms relating to privacy and data protection.

“Planned Downtime” means any period during which there is a shutdown, suspension or other disruption in (a) the provision of AMS planned in advance by Alipay; or (b) the availability or connectivity of the Merchant's Systems which interface with the Alipay's Systems or use AMS, planned in advance by the Merchant, for the limited purposes of:

- (i) launching new services or upgrading existing services provided to (in the case of Alipay) the Merchant;
- (ii) performing preventative maintenance of the systems (including drills and other similar exercises);
- (iii) installing or implementing major adjustments to infrastructure; or
- (iv) general maintenance of the systems, as the Parties may otherwise agree.

“Prohibited and Restricted Product List” means the Prohibited and Restricted Product List, as set out on the AMS Webpage, as may be amended from time to time.

“Recurring Payment” means a payment model whereby whereby a User authorizes the Merchant to submit automatic Payments for recurring Transactions for the User. Recurring Payment includes Auto Debit.

“Refund” means a partial or full return of a Payment initiated by the Merchant.

“Relevant Law(s)” means any law, statute, subordinate legislation, rule, regulation, licence condition, directive, treaty, judgment, order, guidelines, decree, permit or injunction of any Government Agency, including any common law, and includes Sanctions, ABC Laws, AML Laws, Economic and Trade Sanctions Laws, Tax Laws and laws, rules and regulations regarding data, privacy, credit, financial services, market and consumer protection, in each case that are applicable to the Merchant or Alipay (as the case may be).

“Representative” means for a Party, such Party's Affiliates and its and its Affiliates' employees, directors, officers, agents, auditors, advisers, partners, consultants, joint ventures, third party service providers, contractors or sub-contractors or any other person that acts at the direction of, or on behalf of, such party in connection with the Agreement. Unless otherwise expressly provided to the contrary in the Agreement, with respect to the Merchant that Merchant's Users, acting in such respective capacities, are not Representatives for this purpose.

“Reserve Amount” has the meaning given to it in Clause 9(e) of the AMS Terms.

“Retrieval Request” means a request from a Payment Method Provider for information or documents when a Payment Method Provider or its User has concerns regarding a Transaction.

“Rolling Collateral” has the meaning given to it in Clause 12(a) of the AMS Terms.

“Rolling Collateral Rate” has the meaning given to it in Clause 11(a) of the AMS Terms.

“Sanctions” means Economic and Trade Sanctions Laws and related regulations, rules or restrictive measures administered, enacted or enforced by a Sanctions Authority.

“Sanctions Authority” means Office of Foreign Assets Control, the U.S. Department of State, the United Nations Security Council, the European Union, Her Majesty's Treasury of the United Kingdom, Ministry of Public Security of the People's Republic of China and/or Ministry of Commerce of the People's Republic of China or any other relevant Government Agency responsible for the administration, enactment or enforcement of Economic and Trade Sanctions Laws, and related regulations, rules or restrictive measures.

“Scheme Requirements” means any requirements, mandates or rules imposed by a Payment System or funding channel from time to time, including but not limited to the Alipay+ Core Rules and related operation guides issued by Alipay+ Core Operator as updated from time to time, the Visa Core Rules and Visa Product and Service Rules (available at <https://usa.visa.com/content/dam/VCOM/download/about-visa/visa-rules-public.pdf>), the

AMS Terms Definitions

MasterCard Rules (available at <https://www.mastercard.us/content/dam/public/mastercardcom/na/global-site/documents/mastercard-rules.pdf>), and American Express Merchant Operating Guide (available at https://icm.aexp-static.com/content/dam/gms/en_us/optblue/us-mog.pdf). Those rules that are not publicly available, shall be communicated to the Merchant, as per guidance and instruction of the relevant Payment System.

“**Service Application Form**” means the service application form set forth in the Agreement.

“**Service Desk**” means a single point of contact in relation to the notification and resolution of Incidents with the appropriate authority to act on behalf of Alipay or the Merchant (as relevant).

“**Service Fee**” means the service fee determined in accordance with the terms of the Agreement.

“**Settlement Account(s)**” means the bank account(s) described in the Service Application Form under “Merchant Bank Account Information” and such other bank account accepted by Alipay as a Settlement Account pursuant to instructions from the Merchant from time to time.

“**Settlement Currency**” has the meaning given to it in the Service Application Form under “Merchant Bank Account Information” and such other currency accepted by Alipay as a Settlement Currency pursuant to instructions from the Merchant from time to time.

“**Settlement Cycle**” means, in relation to the daily, weekly or monthly settlement cycle specified in Schedule A of the Agreement:

- (a) for daily, a period starting from, and including, 00:00 UTC+8 on one calendar day and ending at, but excluding, 00:00 UTC+8 on the next calendar day;
- (b) for weekly, a period of seven (7) consecutive calendar days starting from, and including, 00:00 UTC+8 on a Monday and ending on, but excluding, 00:00 UTC+8 on the following Monday;
- (c) for monthly, a period starting from, and including, 00:00 UTC+8 on the first calendar day of a month and ending on, but excluding, 00:00 UTC+8 on the last calendar day of that month; or
- (d) as otherwise described in the Agreement.

“**Settlement Day**” has the meaning given to it in the Agreement.

“**Settlement Report**” means the report issued by Alipay with respect to the Settlement Cycle to the Merchant.

“**SIAC**” means the Singapore International Arbitration Centre.

“**Support**” means support of or by Alipay in the resolution of Incidents, including by taking such action as is necessary to detect, properly classify, appropriately communicate and resolve Incidents relating to Alipay’s Systems and the Merchant’s Systems (as applicable) in order to restore and maintain the service quality requirements set out in AMS Operation Guides, and such other support as may be contemplated in the Agreement.

“**Tax Laws**” means Relevant Laws in relation to Taxes, including identification of persons for purposes related to Taxes.

“**Taxes**” means all federal, state, provincial, territorial, county, municipal, local or foreign taxes, including sales, use, licence, excise, goods and services, value added, stamp or transfer taxes, duties, imposts, levies, assessments, tariffs, fees, charges or withholdings of any nature whatsoever levied, imposed, assessed or collected by a taxation authority together with all interest, penalties, fines or other additional amounts imposed in respect thereof, but excludes any Taxes that are based on net income and imposed by the jurisdiction in which the relevant entity is incorporated or resident for tax purposes.

“**Technical Specifications**” means (a) in relation to AMS, the written specifications applicable to the provision of AMS; and (b) in relation to any other services, any written specifications applicable to those services, published by Alipay or its Affiliates on Alipay’s website or otherwise notified to the Merchant in writing that are required for the relevant set-up, customisation, operation and maintenance of AMS. The Technical Specifications may be updated from time to time by Alipay at its sole discretion.

AMS Terms Definitions

“Term” means the term of the Agreement, being the period between the Effective Date and termination of the Agreement in accordance with the terms hereof.

“Terms of Use” means the Payment Method Specific Terms of Use.

“Thai Bank Payment Method” means a Payment Method provided by a Thai Payment Method Provider.

“Thai Bank Payment Method Providers” means Bangkok Bank, Siam Commercial Bank, Bank of Ayutthaya, KrungThai Bank, Kasikornbank (KBank) and Government Savings Bank.

“Third Party Claims” has the meaning given to it in Clause 20(d)(i) of the AMS Terms.

“Trade Mark” includes registered and unregistered trade marks and service marks, as well as any and all variations, modifications or enhancements to each of them, whether created before or after the Effective Date.

“Transaction” means the transaction between the Merchant and a User in respect of goods or services, which gives rise to a Payment.

“Transaction Currency” means the currency in which the Merchant and a User conclude a Transaction.

“Transaction Data” means the following information or such information on the Merchant as reasonably requested by Alipay from time to time: (a) the date and time of the Transaction, (b) Transaction Value and Transaction Currency, (c) goods or services purchased, and (d) name of the Merchant, MCC and Merchant’s Alipay ID.

“Transaction Day” means the 24-hour period of time starting from, and including, 00:00 UTC+8 on the day on which a Payment occurs and ending at, but excluding, 00:00 UTC+8 on the next day.

“Transaction Report” means a report of all the completed and not cancelled Transactions issued by Alipay to the Merchant.

“Transaction Value” means, in relation to a Transaction, the value of such Transaction specified in the Transaction Report, which is the sum of all amounts which appear in the Payment Confirmation for the Transaction, including the purchase price, sales tax and other charges associated with the purchase.

“User” means a person who has obtained a Payment Method from a Payment Method Provider.

“User Account” means an account or user profile of a User, comprising (i) the credentials and registration information for that User with the Payment Method Provider and (ii) if applicable, one or more associated payment accounts.

“UTC” means Coordinated Universal Time.

“Variations” has the meaning given to it in Clause 22 of the AMS Terms.
